How it Works

- ★ **Choose the date that best works for your school**
we recommend holding a shop from Tuesday- Thursday
- ★ **Everything you need to start advertising will come directly to you!**
Parent Letters, Money Envelopes, Posters, Vouchers, Tablecloths, etc.
- ★ **Your Gifts, Gift Bags, and Start Packets are hand delivered to your school by a local Fun Services Team Member.**
No dealing with UPS, FEDEX, OR USPS
- ★ **You only pay for what you sell**
No hidden fees or extra costs

Need a Restock? Call any week day before 4pm and get a delivery from our local employees the next morning before school starts!

Zero Risk for your school!

Toys for Tots

Your shop is making a difference!

Every year your shop will carry a Toys for Tots sponsored item. Every time a sponsored item is purchased at your shop, Fun Services will donate a toy of equal value to Toys for Tots!

Keep an Eye Out all Year Long

**Look for mail from Fun Services
with more information and
incentives for your school!**

**Watch for our seasonal Open House
Schedule**
