Prize Only Package

Do you have your own games and just need prizes? This plan is great for you. We have 2 ways to order prizes. Here's how it works:

1. Prizes (on consignment) (\$400.00 minimum purchase)

You use our redemption center with prizes ranging from 1 point to 500 points, 5 cents to \$25.00, on consignment. You only pay for the prizes you give away. All others are returned to Fun Services once you give away at least \$400.00 worth. (If you give away more than \$300.00 you do owe for those prizes also.) You can pick up your redemption center from our Akron warehouse or you can pay the shipping charges to have it shipped to you via UPS.

2. Showroom Order

You pick your prizes from our prize catalog. You choose and purchase whatever prizes you would like. These prizes are not on consignment. You do pay for them in advance. You keep all the leftovers. You can pick your order up at our Akron warehouse or pay to have it shipped to you by UPS.
